In the Matter of	)
Time Warner Cable	)
Social Contract	)

## **ORDER**

Adopted: January 25, 2001 Released: January 29, 2001

By the Deputy Chief, Cable Services Bureau:

- Charter Communications, Inc. ("Charter"), has requested that the provisions of the Time Warner Social Contract ("Social Contract") continue to apply to the seventeen cable systems that it acquired from Renaissance Media LLC ("Renaissance") and the sixteen cable systems that it acquired from Robert C. Fanch, respectively. Pursuant to the Commission's delegation of authority to the Cable Services Bureau to implement the Social Contract, we are granting Charter's request.
- The Social Contract, which the Commission entered into with Time Warner Cable ("Time Warner"), was designed to foster rate stability and system upgrades and improvements.<sup>2</sup> Under the terms of the Social Contract, Time Warner agreed to invest \$4 billion to upgrade its domestic cable systems, to resolve over 900 rate complaints by providing more than \$4.7 million in refunds to its subscribers, to establish affordable "lifeline" basic service tiers, and to provide cable connections to schools located within its franchise areas or within 200 feet of its activated plants.
- Additionally, the Social Contract provides that any cable system divested by Time Warner could continue to be covered by the Social Contract if the acquiring operator agreed to be bound by its provisions. Specifically, Section III.F.6 of the Social Contract provides:

<sup>&</sup>lt;sup>1</sup> See Letter from Maurita K. Coley, Esq. To Deborah Lathen, Chief, Cable Services Bureau (December 12, 2000) (supplementing Letter from Maurita K. Coley, Esq. to Deborah Lathen, Chief, Cable Services Bureau (April 13,

<sup>2000)).</sup> 

<sup>&</sup>lt;sup>2</sup> See Social Contract for Time Warner, 11 FCC Rcd 2,788 (1995). The Commission's adopted Social Contract initiative furthers the underlying congressional policy and intent of the Cable Television Consumer Protection and Competition Act of 1992, by "ensur[ing] that cable operators continue to expand, where economically justified, their capacity and the programs offered over their cable systems." Cable Television Consumer Protection and Competition Act of 1992, § 2(b)(3), Pub. L. No. 102-385, 106 Stat. 1460, 1463 (1992). The Social Contract, similar to upgrade incentive plans that have been implemented for telephone carriers, affords cable operators substantial flexibility in setting rates for new regulated services and guarantees customers stable rates for current services. See Implementation of Sections of the Cable Television Consumer Protection and Competition Act of 1992: Rate Regulation and Adoption of a Uniform Accounting System for Provision of Regulated Cable Service, Report and Order and Further Notice of Proposed Rulemaking, 9 FCC Rcd 4527, 4677-80 (1994).

In the event of a sale of any system during the period of applicability of this Contract, the purchaser may elect, with the concurrence of the FCC, for the provisions of this Contract to continue to apply to such system. Such FCC concurrence shall be expeditiously decided and not be unreasonably withheld. In the event the purchaser elects not to have the provisions of this Contract apply to any such system, the CPST subscribers to such system shall be eligible for the refunds calculated pursuant to Section III.F.5 in the event the upgrade commitment described in Section III.F.1 has not been completed prior to the consummation of such sale.<sup>3</sup>

Charter has sought the continued application of the Social Contract to systems it acquired from Renaissance and Fanch, respectively. Charter has agreed to be bound by all of the provisions of the Social Contract, without any modifications. The pertinent provisions of the Social Contract include, but are not limited to: (a) upgrading subject systems with a capacity of at least with a capacity of at least 550 MHz as of the Social Contract Effective Date;<sup>4</sup> (b) upgrading all other subject systems to 550 MHz; (c) upgrading 50 % of the subscribers in the subject systems to 750 MHz; (d) ensuring that at least 60 % of new analog services in the acquired systems are added to the cable programming services tier ("CPST"); (e) adding at least 15 channels on average (weighted by CPTS subscribers) to the CPTS service offered on the upgraded systems; (f) expending at least 60% of upgrade capital on benefits for basic service tier ("BST") and CPST subscribers; (g) submitting an annual progress report; and (h) paying all refunds and penalties imposed under the Social Contract for noncompliance with upgrade requirements.

- 4. Charter represents that it acquired from Renaissance seventeen systems, serving communities principally in Louisiana and Tennessee. Our records reflect that Renaissance requested, and the FCC approved, the continued application of the Social Contract's terms to seventeen acquired systems. Thus, because the seventeen Renaissance systems have remained subject to, and Charter has agreed to assume Renaissance's responsibilities for such systems under, the Social Contract, we approve Charter's request with respect to these systems, on the condition that Charter has timely complied with all pertinent provisions of the Social Contract, including the system upgrade commitments set forth in Section III.F.1 of the Social Contract.
- 5. Charter also represents that it acquired from Fanch sixteen systems, serving communities principally in Pennsylvania, West Virginia and Kentucky. Based upon our review of Charter's request, as supplemented, it appears that those sixteen systems have continued to be covered by the Social Contract, as systems managed by, and/or subsidiaries or affiliates of, Time Warner. Thus, because the sixteen

<sup>4</sup> Subject systems include all of Time Warner's cable systems as of November 30, 1995, the Effective Date of the Social Contract. *See Social Contract for Time Warner*, 11 FCC Rcd at 2,851-52.

<sup>&</sup>lt;sup>3</sup> Social Contract for Time Warner, 11 FCC Rcd at 2,866.

<sup>&</sup>lt;sup>5</sup> The communities served by the seventeen acquired systems include: Jennings, LA; Church Point, LA; Eunice, LA; Opelousas, LA; Pointe Coupee, LA; Assumption, LA; LaFourche, LA; St James, LA; Mandeville, LA; Slidell, LA; Picayune, MS; Jackson, TN; Selmer, TN; Camden, TN; Alamo, TN; Newbern, TN.

<sup>&</sup>lt;sup>6</sup> See Time Warner Social Contract, 13 FCC Rcd 5,280, 5283-84 (1998).

<sup>&</sup>lt;sup>7</sup> The communities served by the seventeen acquired systems include: Warren, PA; Bradford, PA; Clearfield, PA; Altoona, PA; Johnstown, PA; Charleston, WVA; Manchester, KY; Bulan, KY; Williamsburg, KY; Flatlick, KY; Madisonville, KY; Hartford/Beaver, KY; Rockport, KY; White Plains, KY; Murray, KY; Mayfield, KY.

<sup>&</sup>lt;sup>8</sup> See Social Contract for Time Warner, 11 FCC Rcd at 2,853 (defining Time Warner collectively as including as "any subsidiary, division or affiliate thereof, or, where consistent with the context, any cable system owned or (continued...)

Fanch systems have remained subject to, and Charter has agreed to assume Fanch's responsibilities for such systems under, the Social Contract, we approve Charter's request with respect to these systems, on the condition that Charter has timely complied with all pertinent provisions of the Social Contract, including the system upgrade commitments set forth in Section III.F.1 of the Social Contract.

- 6. Accordingly, IT IS ORDERED that the request of Charter Communications, Inc. to assume the rights and obligations of Renaissance Media, LLC and Robert C. Fanch under the Social Contract with respect to the seventeen and sixteen cable systems acquired by Charter Communications, Inc. from Renaissance Media, LLC and Robert C. Fanch, respectively, IS GRANTED, provided that the Commission shall have the benefit of all agreements made between parties to the Agreement and the right to enforce any provision of the Social Contract against the party that has agreed to be responsible for such provision in the Agreement.
- 7. This action is taken by the Deputy Chief, Cable Services Bureau, pursuant to the authority granted by the Commission in the Social Contract for Time Warner and pursuant to the authority delegated by Section 0.321 of the Commission's rules, 47 C.F.R. § 0.321.

FEDERAL COMMUNICATIONS COMMISSION

William H. Johnson Deputy Chief Cable Services Bureau
